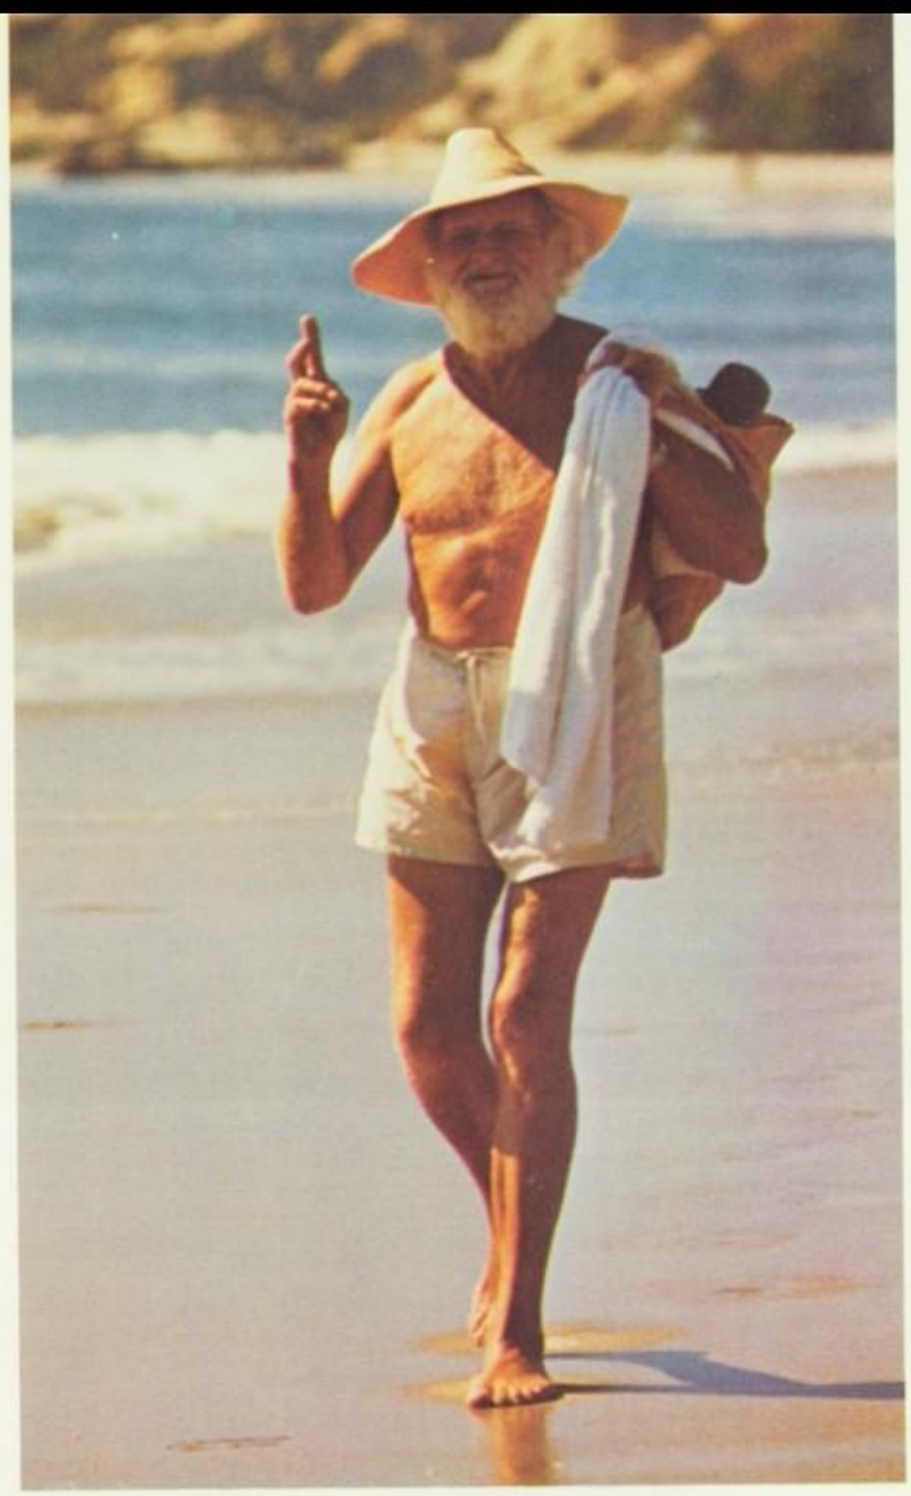
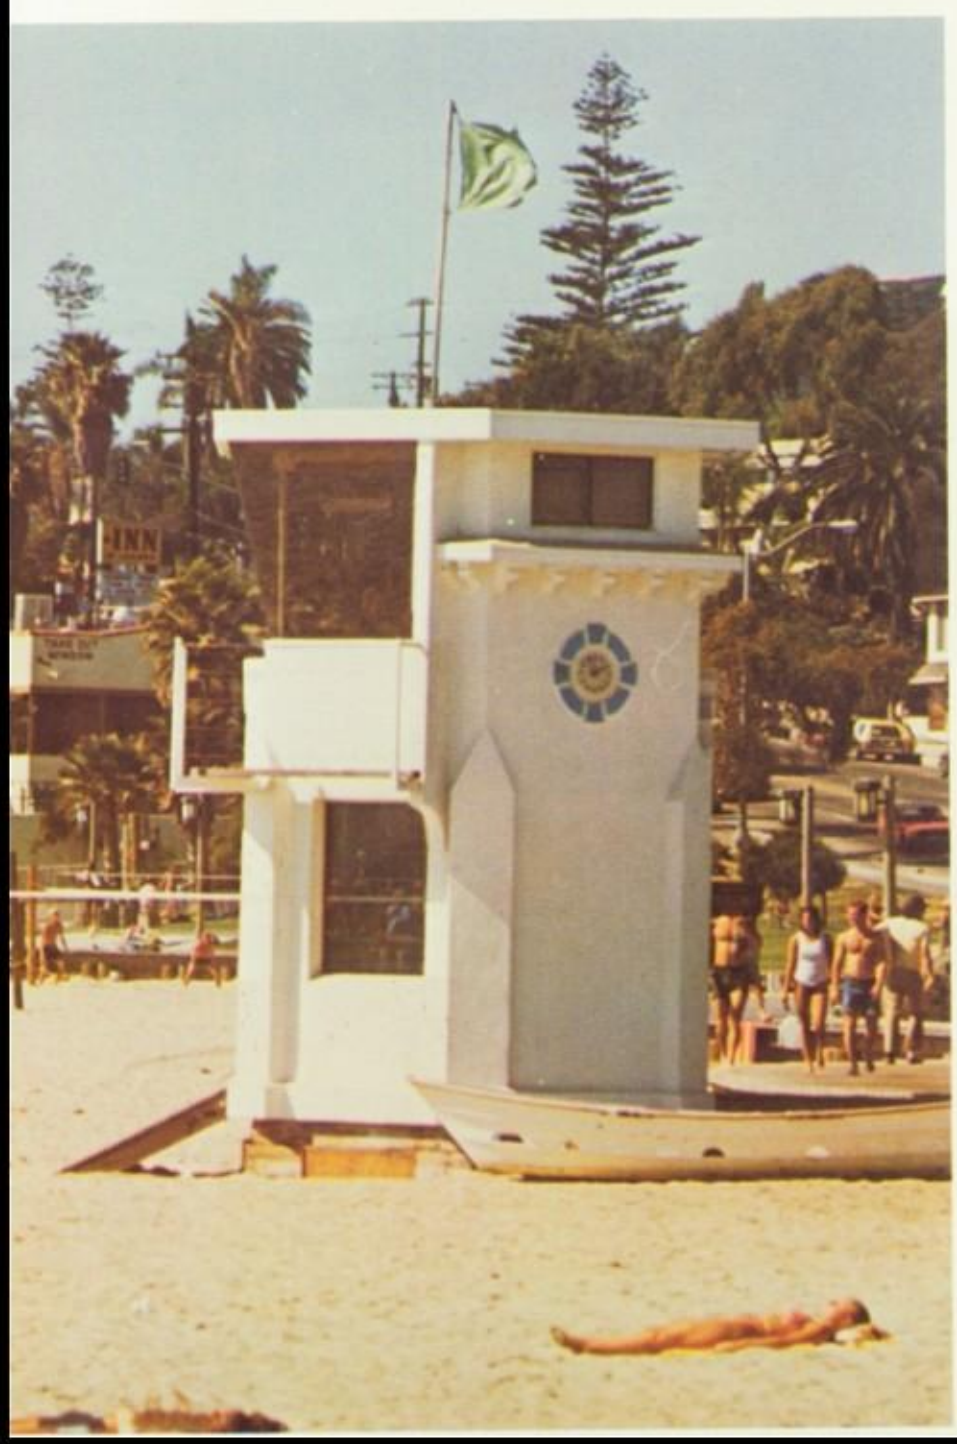
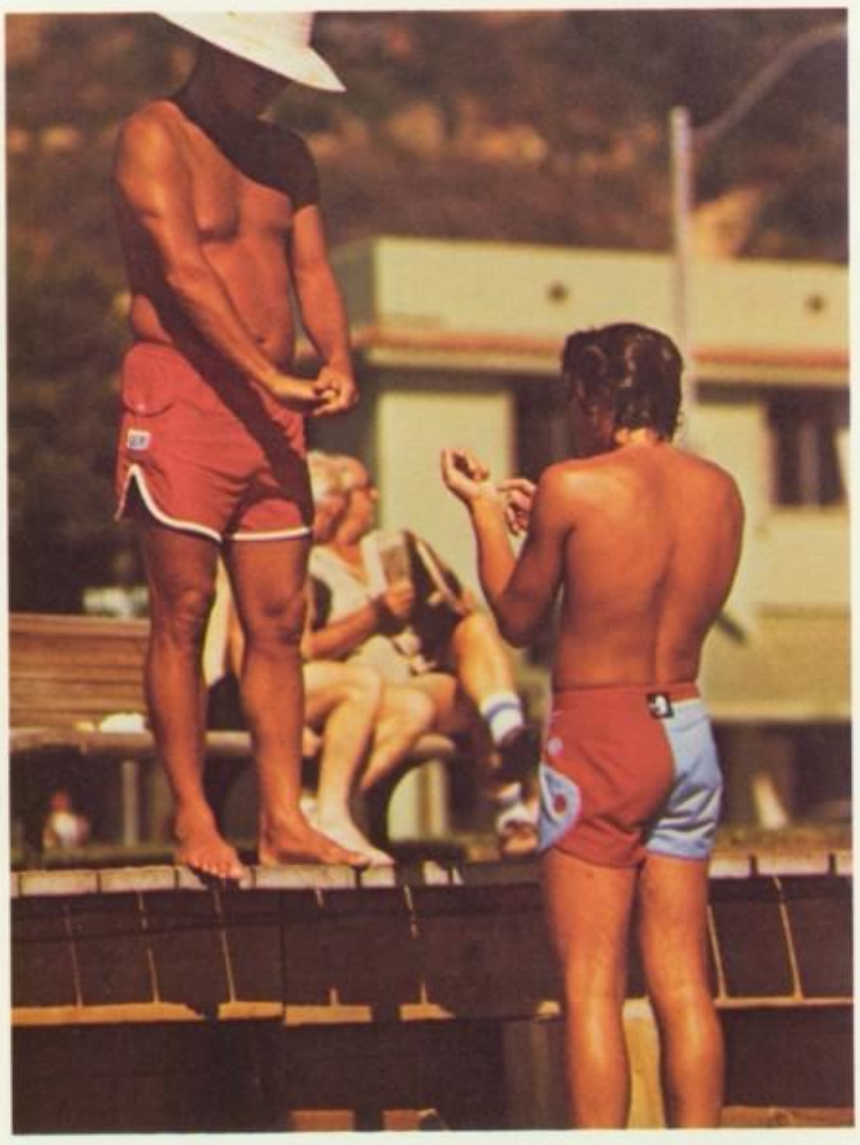
THE CAPTAIN'S



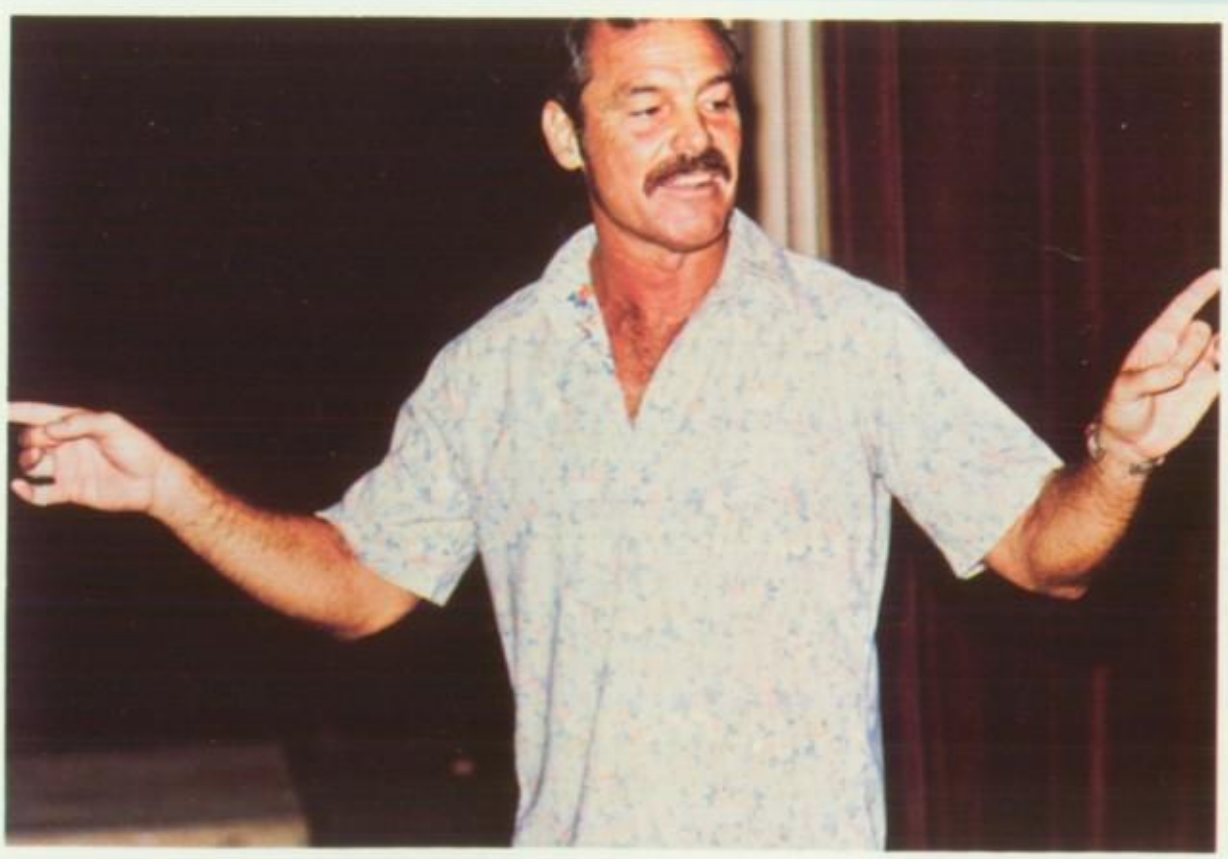


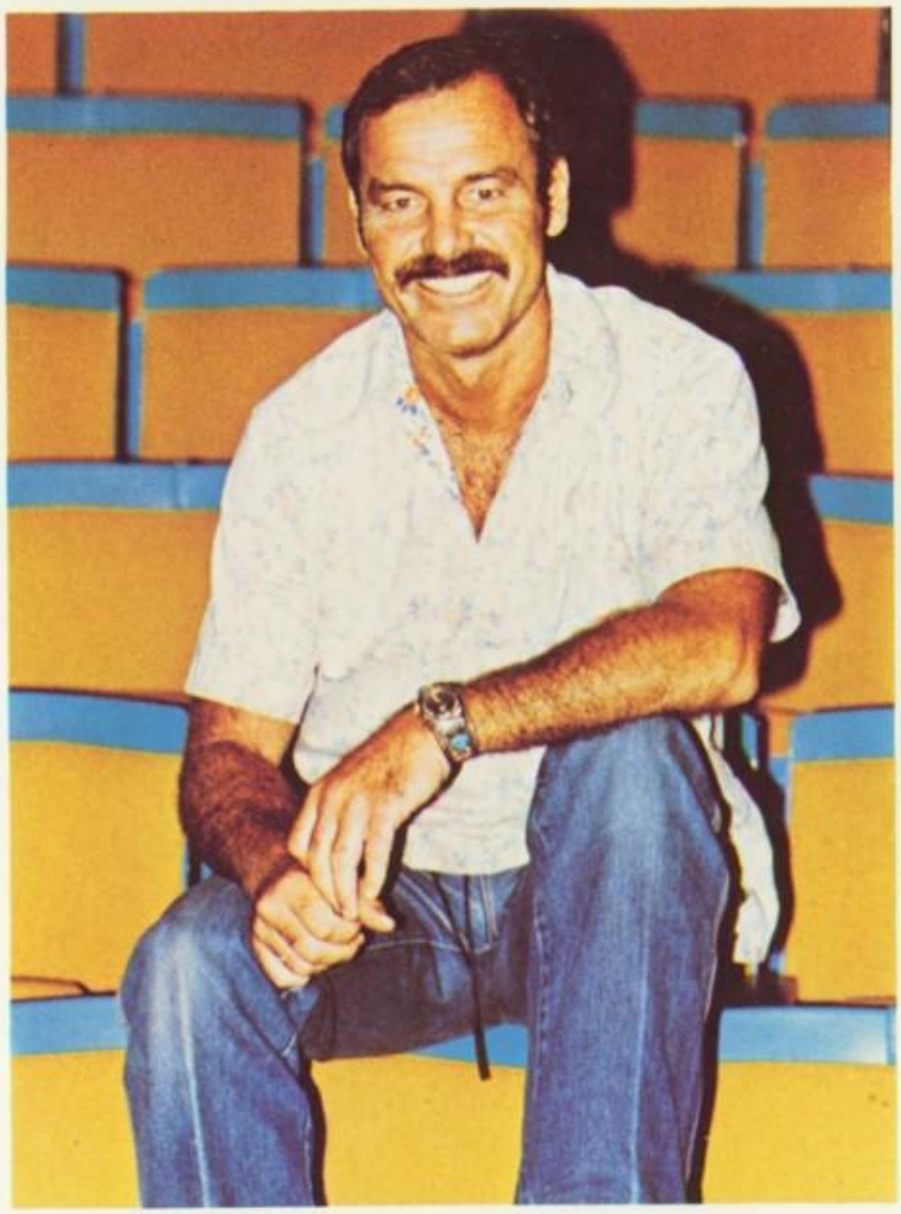


McCULLOCH

Jerry McCulloch ("Mr. McCulloch, please!") is a man known for his excellent direction far and wide. He is the backbone of all the L.B.H.S. theatrical productions and the creator of talent. He was missed in 1979 when he took his sabbatical, but now he's back and rolling. "Impressions of Laguna with Variations" was a hit as were "Imaginary Invalid" and the spring musical. Jerry lives in Laguna, and besides teaching, he acts (Moulton Playhouse) and enjoys the theater and dance. Jerry loves to travel and he takes a group of students to New York every year over Christmas/New Year's vacation. He also accompanied Dance Productions on their trip to Hawaii last year. Jerry grew up in Las Vegas and was a drum major in high school, but his tastes now consist of rodeos, swimming, diving, traveling and of course theater. Although he is known for his temper, Jerry is very caring and giving. His perfectionism is reflected by the supreme performances given on and off the Artist's Theater. He is a man we all are fortunate to have been acquainted with. Our Singular Sensation!

P.S. Calabases?





Pictured are just a few of Jerry McCulloch's many moods. At the bottom right is a picture of Betty McCarthy and Jerry during a meeting on "Impressions." The word "FOCUS" is one that is common in Jerry's vocabulary. It's a quick attention getter!

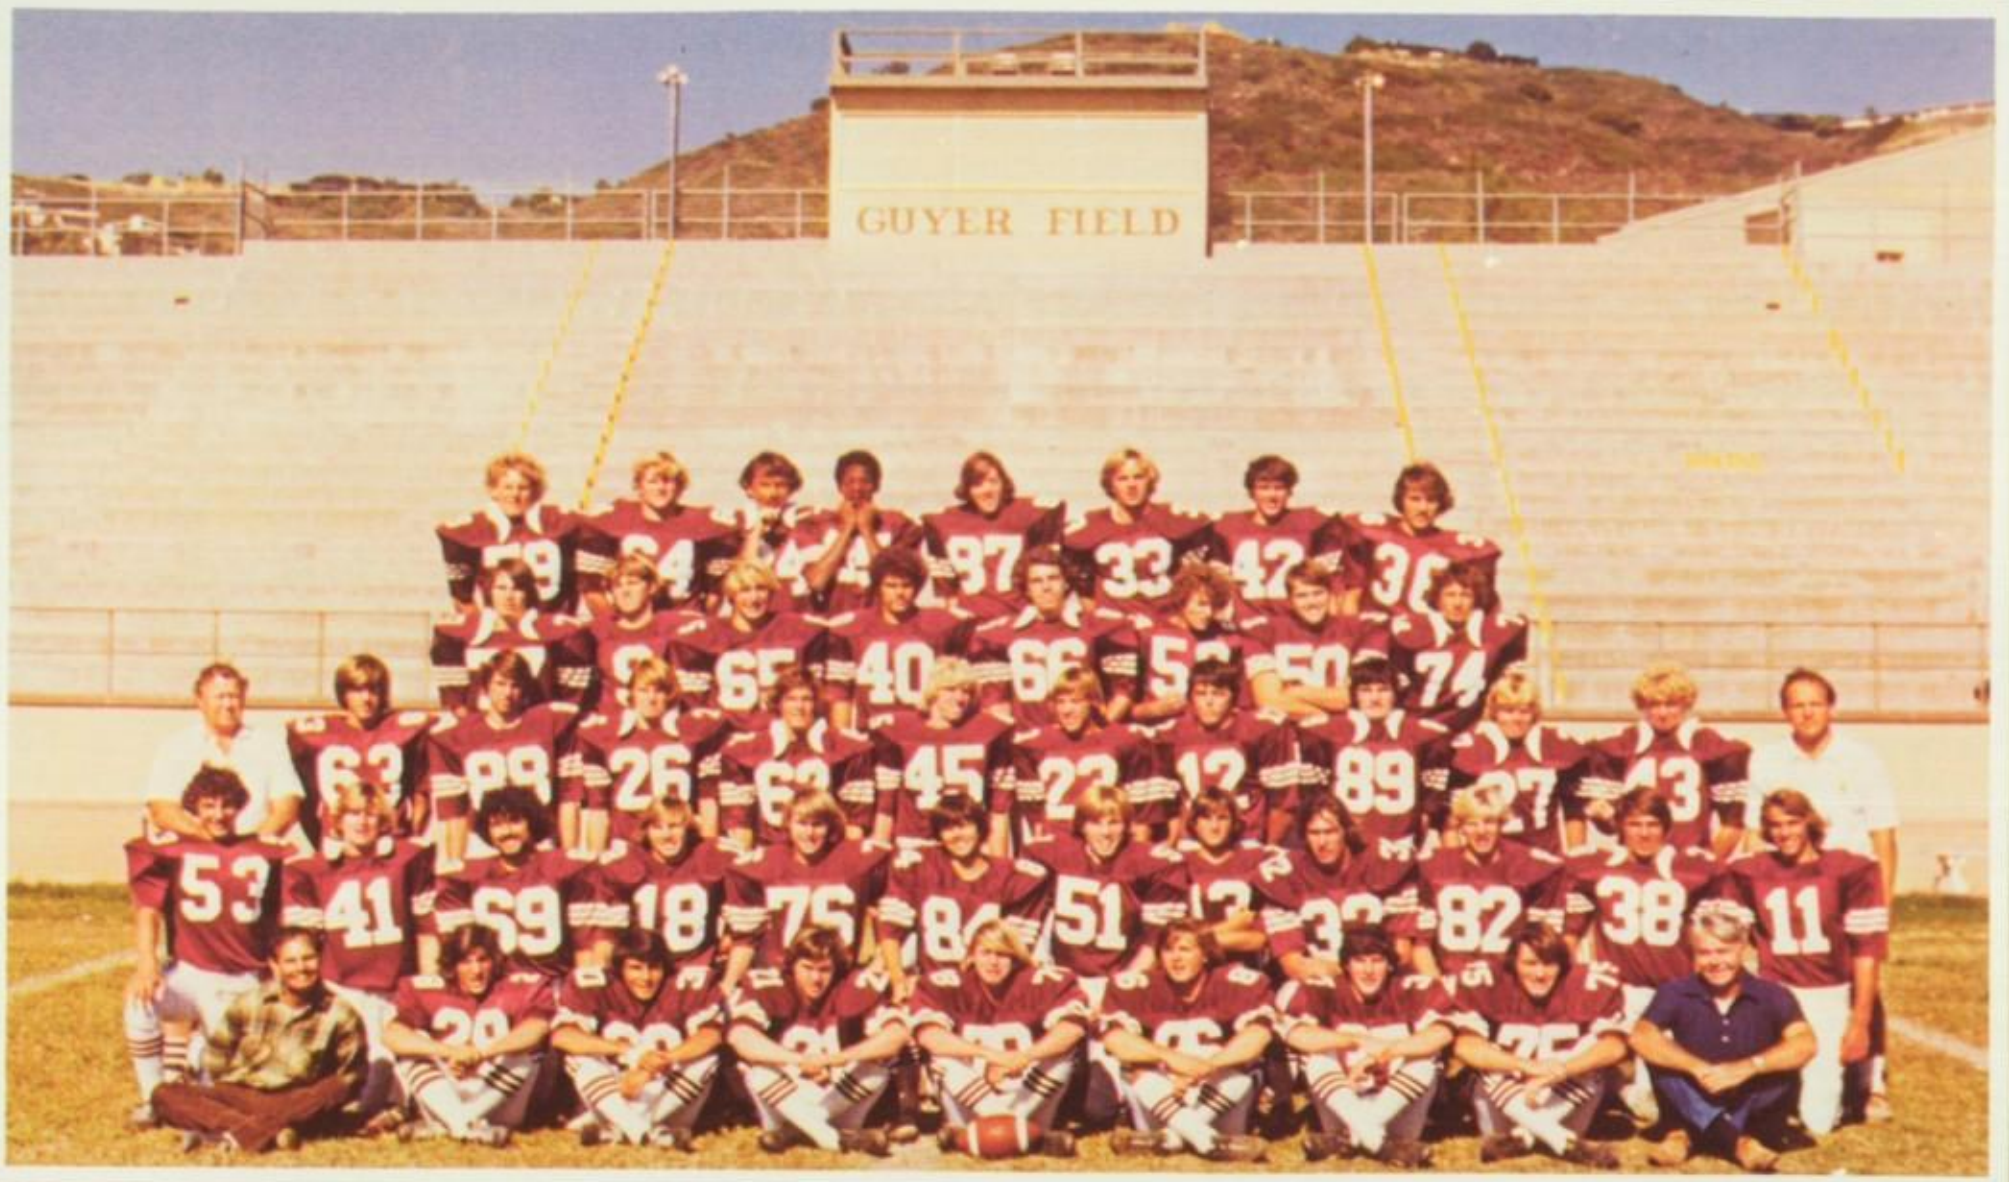
VARSITY FOOTBALL

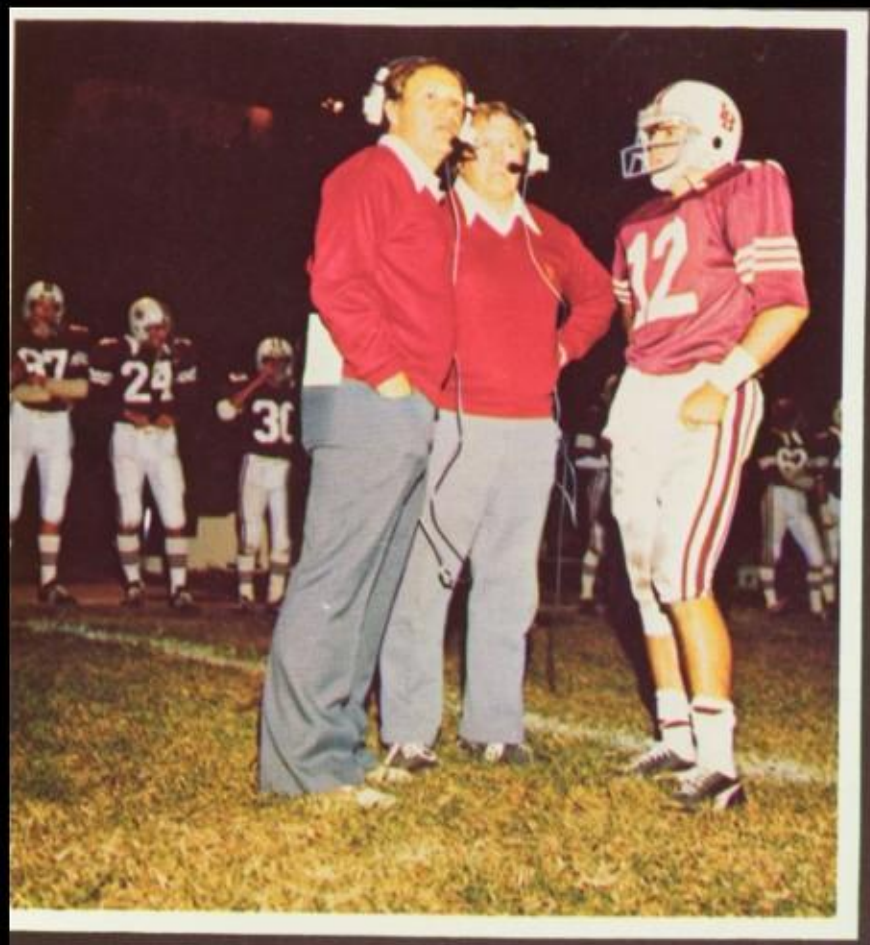


Front to back, left to right: Skip Carrillo, Mike Pollastro, Juan Enriquez, Tom Brockman, Bill Turner, Jeff Wahl, Steve Chapman, Nick Ross, Gibby Gibson, Jonathan Cohen, Doug Green, Mike Finocchi, Mike McCaffrey, Tom Turner, John McMurray, Greg Goldstein, Curt Chastain, Tom Mauro, Brian Laidlaw, Damon Berryhill, Coach Akins, Kevin O'Connor, Rich Johnson, Brandy Boka, Ron Johnson, Eric Clark, Mike Davis, Lance Stewart, David Padgham, Eric Reasor, Mike Cronin, Coach Hamera, Scott Oates, Lance Dickson, James Watt, John Hansen, Andy Gregory, Kevin Hoagland, Brooks Jacobsen, Rick Reigel, Zack Story, Jim Mudge, Dan Arndt, Rene Oliver, Eric Smith, Kevin Norick, Tom McDonald, Ted Vlasis.

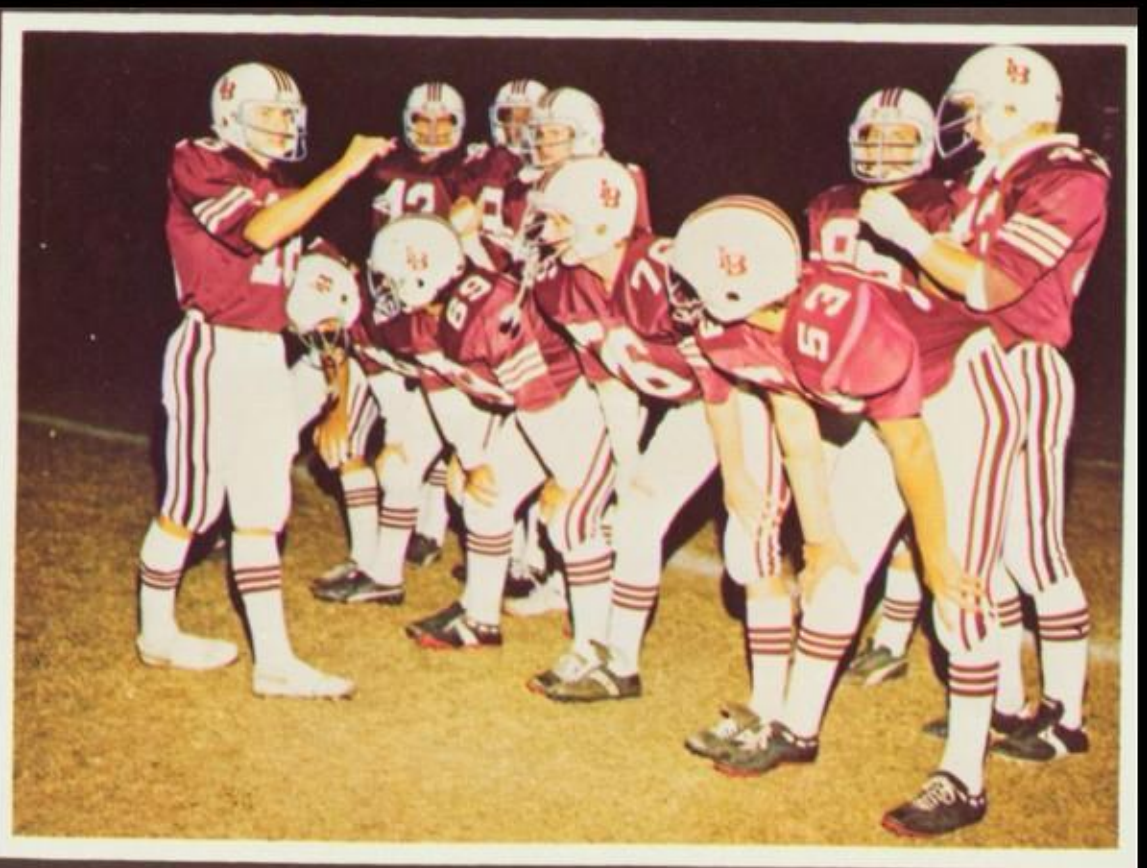
The 1979 Artist Football Team, young in terms of experience, entered the season with high enthusiasm and the goal of being the first Laguna Beach Football squad to enter post-season CIF play in eleven years. Even though this goal was not realized, the team played exciting football and earned the admiration and praise of opposing teams, coaches and fans.

Pre-League play began for the youthful Artist eleven with a 14-7 setback at Mayfair, even though Laguna Beach outgained and outplayed their opponent. The team's true potential surfaced the following week as they defensively dominated the St. Anthony Saints and came away with a 7-6 victory. Irvine, Laguna's next opponent also felt the sting of the defense and stood by helplessly as the offense ran wild in a 42-0 triumph. The Pre-League season ended as Brawley invaded and defeated the Artists 13-7 in a hard-hitting defensive struggle.

The Artist's quest for a CIF berth began on a rainy evening in October against Mission Viejo, reigning league champions. As it was in the first game of the year, Laguna outgained its opponent but had nothing more to show for it than a 28-0 loss. Rebounding the following week, Laguna took Laguna Hills 13-7. Homecoming saw the Artists celebrate by defeating Dana Hills 16-6, moving the team into second place in the rugged South Coast League. The squad entered the final two games of the season knowing that a win in either would insure a playoff position. But, this was not to be as Laguna bowed to San Clemente 19-0 and lost to Capistrano Valley 40-23. Still, the season had to be deemed a successful one for the Artists as they played winning and competitive football against teams from schools two to three times their size. The 1979 Artist Football Team is to be commended for its efforts.

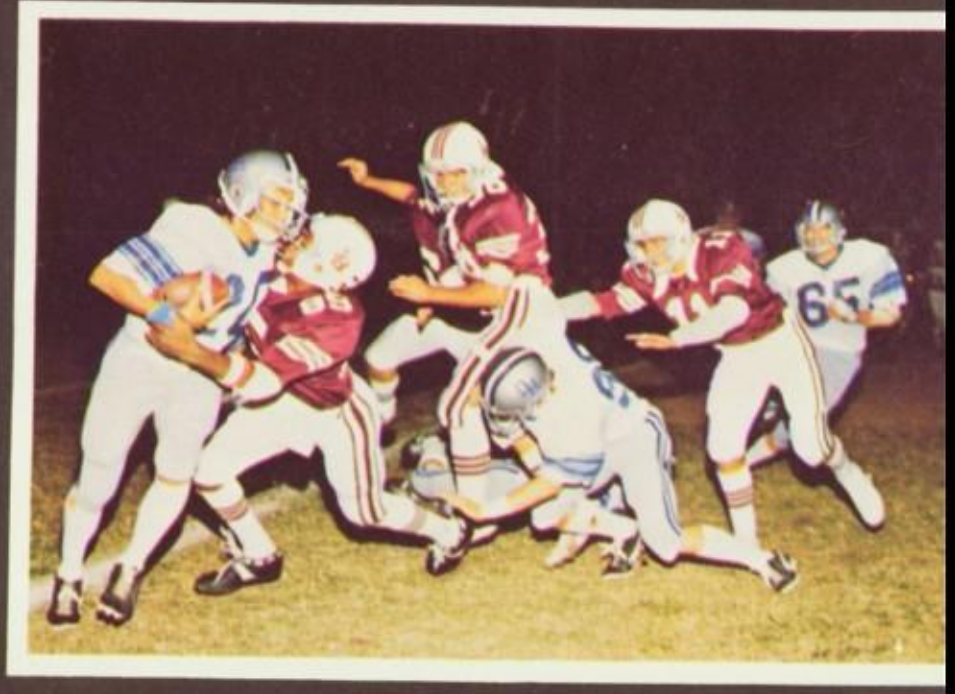


Quarterback Lance Stewart awaits the call from coaches Hamera and Akins.



Mike McCaffery calls the kick return huddle together to start the Homecoming game.

Tailback Eric Clarke goes for a big gainer tight end Tom McDonald leads the way.



Cornerback Rene Oliver makes the hit on Dana Hills runner as Linebackers Brian Laidlaw and Damon Berryhill move in.

A jubilant Artist team congratulates McCaffery after the touchdown.

McCaffery goes over the goal line for the Artists first of three touchdowns.

This year student council "Dared to Believe." We believed in both ourselves and our abilities. It was a belief which helped to make this year a precedent setting one.

No one can really fully understand the time that the student council puts into any event, no matter how great, unless they themselves have at one time been a member. All of the bulletin announcements, the phone calls, banner after banner, trying to find money where there isn't any, hundreds and hundreds of hours spent planning for and representing you, the student body. The student council this year has been probably the hardest working and most dedicated in the history of Laguna Beach High School.

Not only have we sponsored the social activities but we've also tried to represent a wider range of the student body to both the faculty and the administration. If there was one main goal or driving purpose to this year's council, it would have to be unity. We've tried to create a more unified atmosphere here at school. If we've really succeeded remains to be seen in the next few years. It is our hope that the unity achieved this year will strengthen and grow in the years to come.

Speaking for myself, the experience of being ASB President is one which I will never forget. I've experienced frustrations and triumphs and spent many an hour imprisoned within the walls of the activities office, but I wouldn't trade this year for anything. This wouldn't be complete without a deep thank you to this year's student council. (Including class officers.) It was their determination and concern for the welfare of LBHS that made this year a success. A final thank you goes to you, the student body, for giving me the once in a lifetime opportunity to work for and represent you.

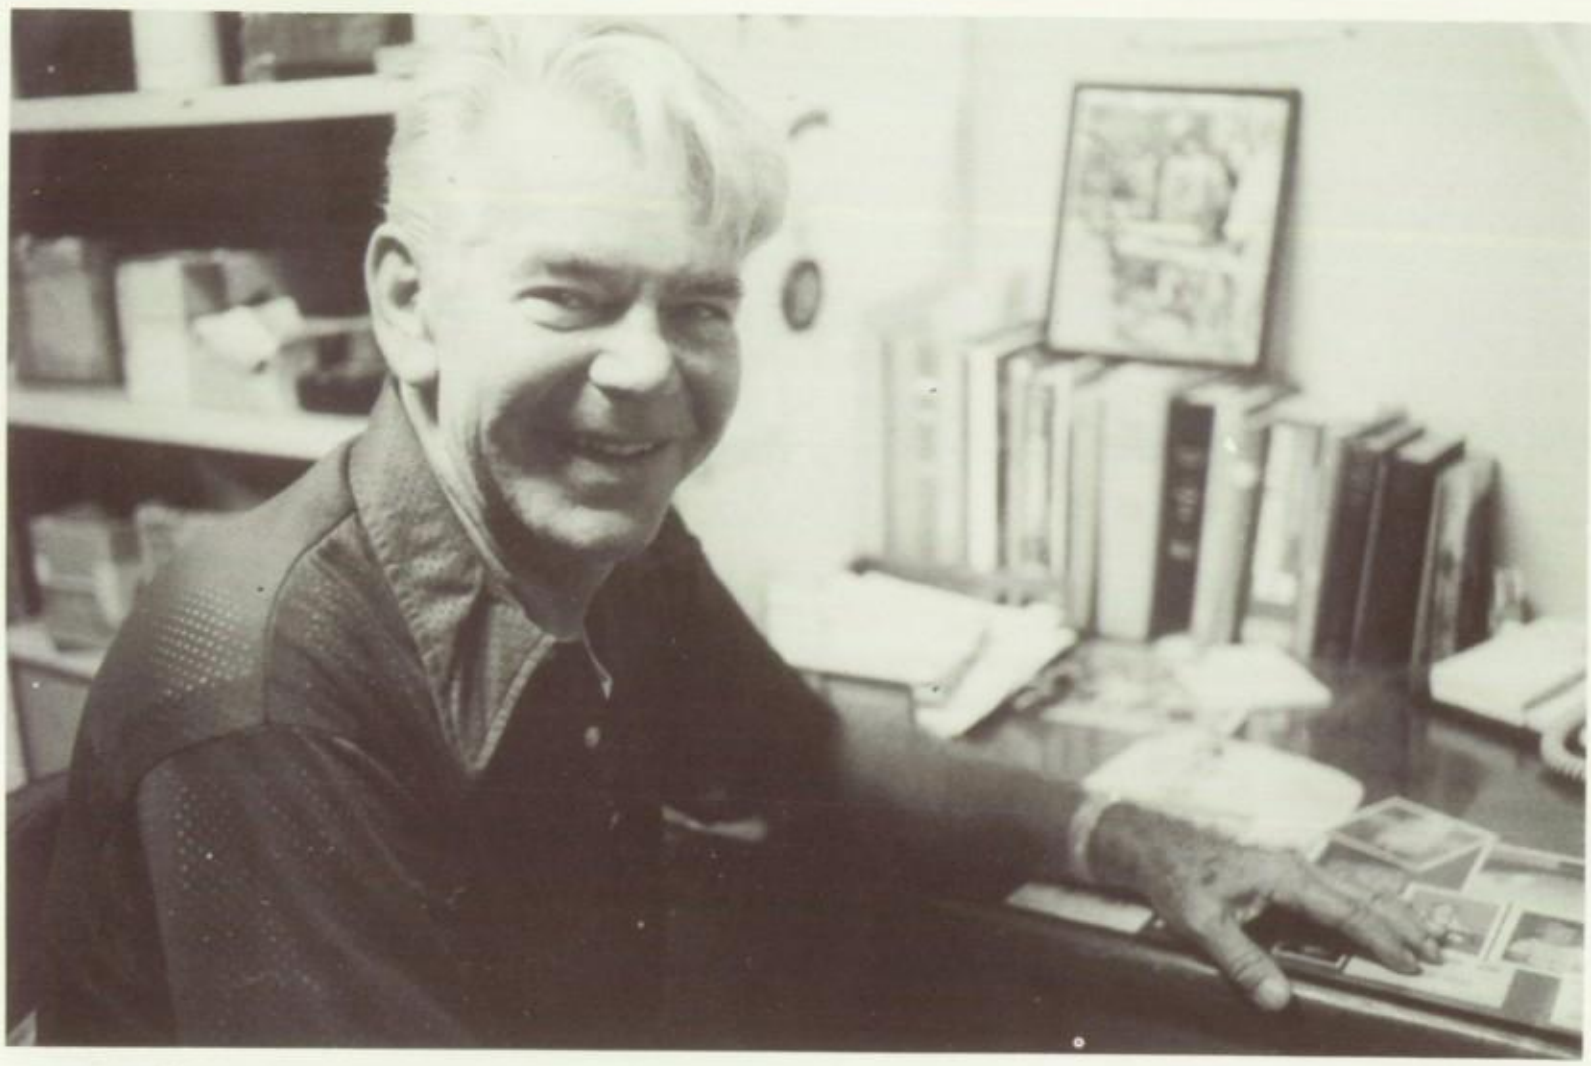
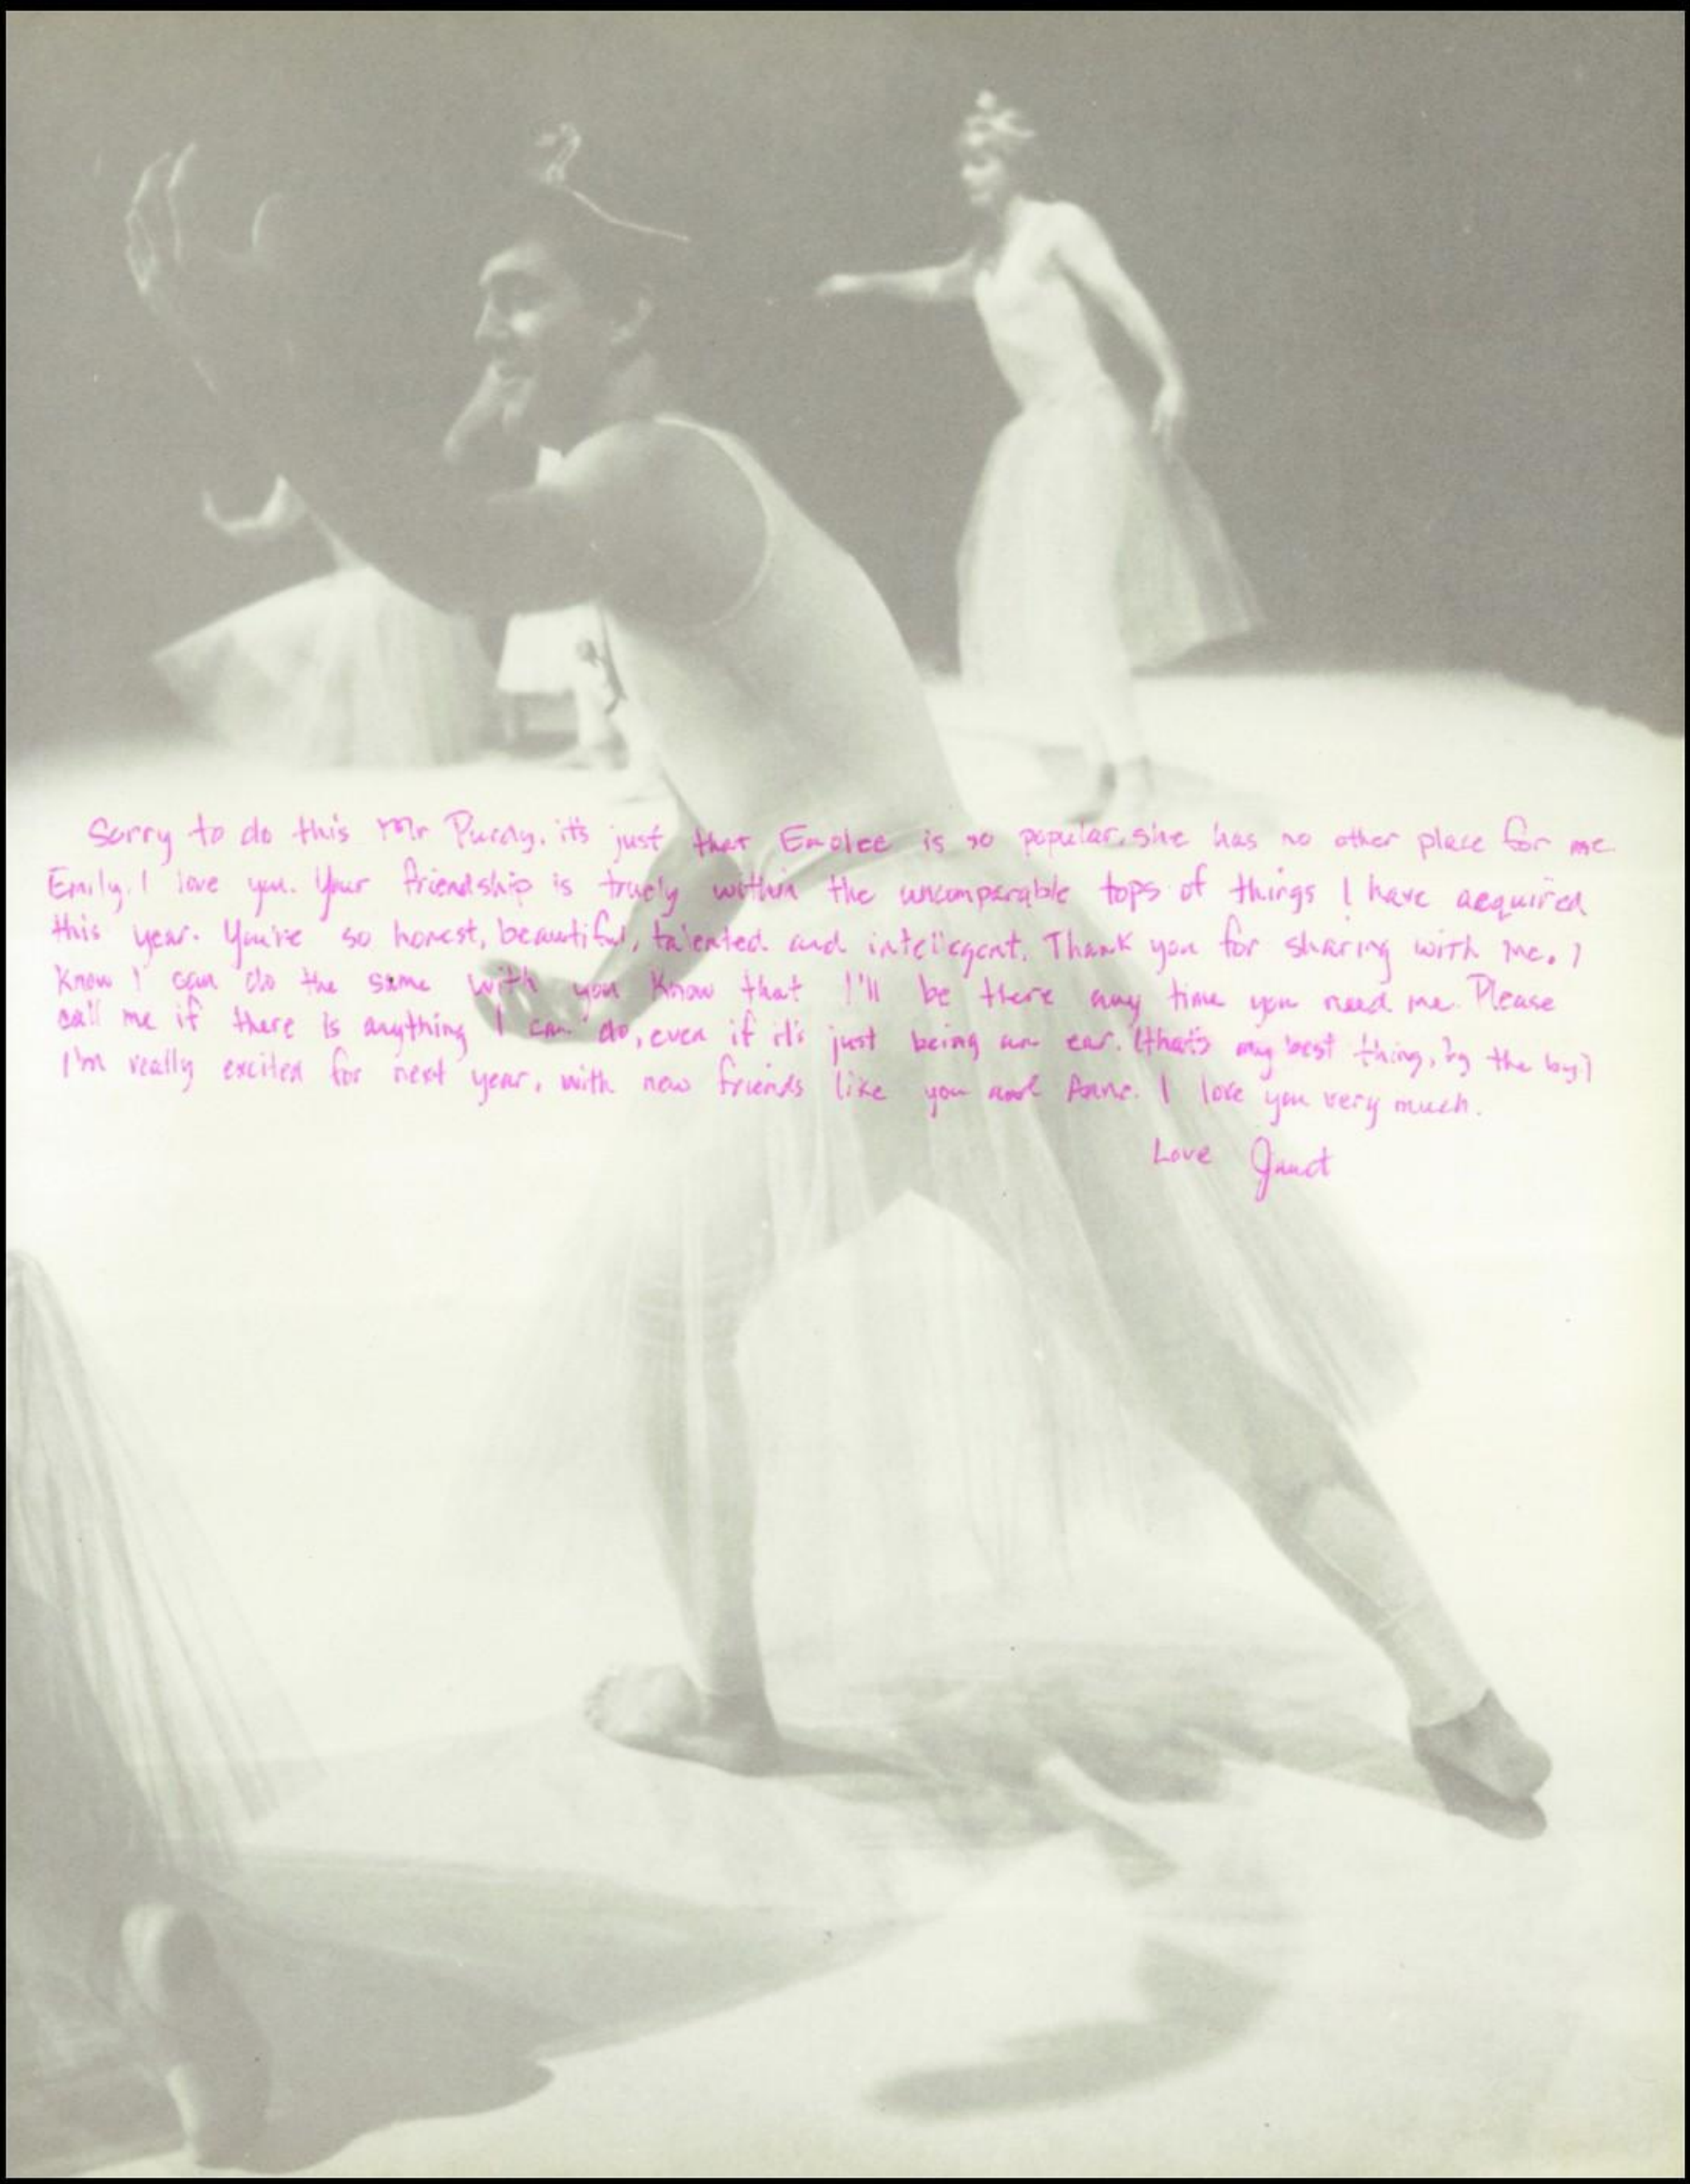
LBHS THANKS GIBBY





Sorry to do this Mr Purdy, its just that Enolee is so popular, she has no other place for me. Emily, I love you. Your friendship is truely within the uncomparable tops of things I have acquired this year. You're so honest, beautiful, talented and intelligent. Thank you for sharing with me. I know I can do the same with you. Know that I'll be there any time you need me. Please call me if there is anything I can do, even if it's just being an ear. (that's my best thing, by the by) I'm really excited for next year, with new friends like you and Anne. I love you very much.

Love Janet

This year AFS (American Field Service) has done unusually well at LBHS. Abba Roos and Denis Locher were seen all over campus. The student club was better than ever, and we had a lot of fun at our parties (don't forget the onions) and outings. We raised money, money, and more money. Remember all the good times caroling, rollerskating, miniature golfing, Knott's Berry Farm, Disneyland, the zoo, camping and just having a good time.

AFS is one big family, open to anyone at anytime. Join US! AFS promotes peace and world understanding, and every one of you have helped.

Six students went abroad this year. Amy Wilcoxen went to New Zealand in January for a year. Beth Wachtel also left in January to spend a year in South Africa. Scott McGehee started his year in Japan in March. Greg Martin was headed for Europe in June for a year, and Jonathan Cohen and Scott Nettlemen are spending their summers abroad. Aloha! Bon Voyage! Luck!

LAGUNA BEACH HIGH SCHOOL WELCOMED

Denis Locher
AFS: Switzerland

I have been in Laguna Beach for about seven months and now I realize how impossible it is to describe in a few words all the feelings coming along with the time I spent here, my discoveries, my interrogations, my deceptions and my happiness. I would like to say how much I liked in this school: the opportunity to have so many different fields open to various talents or interests besides regular and formal academic studies. The Art Department, for example, is really incredible. The most important thing for me was that overcoming a too generalized impression of passivity and superficiality coming from only some part of the school community. I got to know and really like a lot, so many fantastic people, and I think that friends has been and will always be the greatest part of my experience here that I will never forget.

Denis Locher

Anna Roos
AFS: Sweden

At the end of April last year, I found out exactly where in the United States I would go. Laguna Beach, California. I had the stereotype vision of how Americans are and America is. I found out that you should never generalize anything, especially not people. The stereotype vision I heard of was in many cases true but I also found out another side that no one in Sweden told me about. That is that many people here are totally different. So interesting. Great personalities. Some that I would have a hard time finding in Sweden. I am really impressed by my Drama Department in school, the Choirs, Performing Dance, Jazz Band and Art. I've never seen anything like it in high schools before. I've learned a lot this year; not so much from books as from life in different situations. It's been great for me to come stay here and see Laguna from another side than the tourist does. I wouldn't change this year for ten years in Sweden!

Thanks, **Anna Roos**

Emily - I really don't what to say - It's hard to know what you want to hear. Umm - Well. I'll start with I'm sorry for hurting you - You have every right to resent me for what I did - I'm sorry. But, let's not forget all the great times we had. Playing was such a joy. You really are a great, great pianist, and a hot soloist for Nanna and Porkpie Hat. God, I know you won't, but don't ever stop playing - It would be such a loss if you stopped. The voice you have is the finest natural voice I've heard. I love hearing you sing.

Christmas Concert

I still want to play - so call me if you do, o.k. I mean it. I know it's going to take a while to adjust to things, but they'll be o.k. Don't, whatever you do, think you aren't important to me; I still care for you a lot. OK - I don't know what else to say. This is hard.

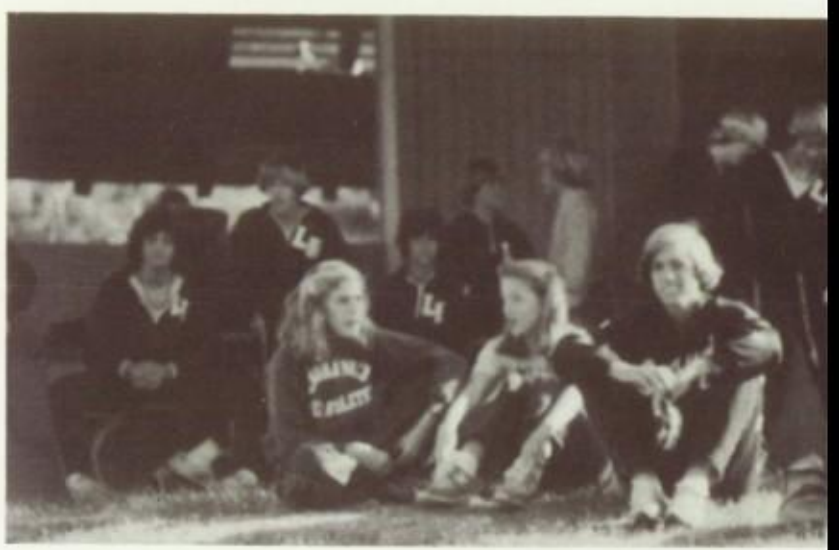
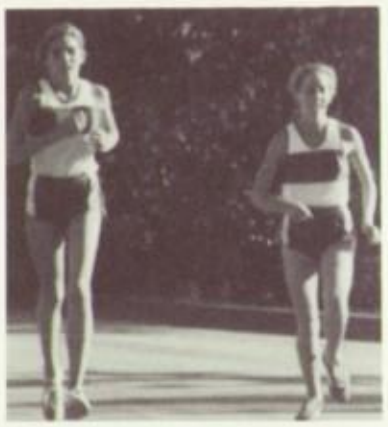
Laguna Beach
Laguna Beach





The 1979 Boys and Girls Cross Country was not only the biggest (72 members) in school history but also the best and most spirited.

In the overall standings in the South Coast League, Laguna's teams dominated the team standings. The junior varsity boys placed second and the varsity boys placed third. The varsity girls and freshmen boys were both **undefeated** league **champions!**

Laguna Beach was the only team to have both boys and girls varsity teams advance to CIF Semi-finals from the South Coast League. The Laguna girls advanced to the finals placing 4th in the AAA Division.

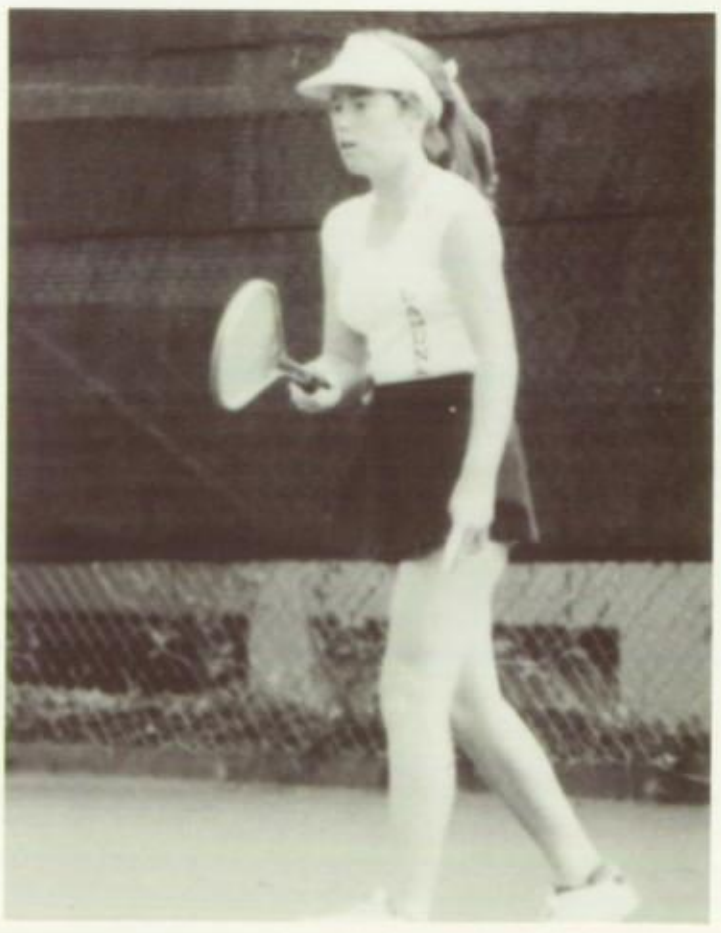
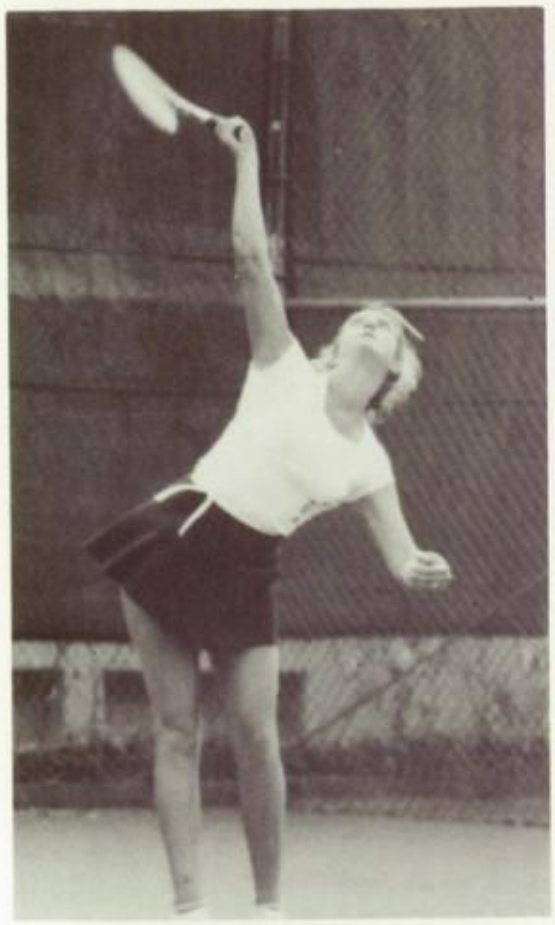
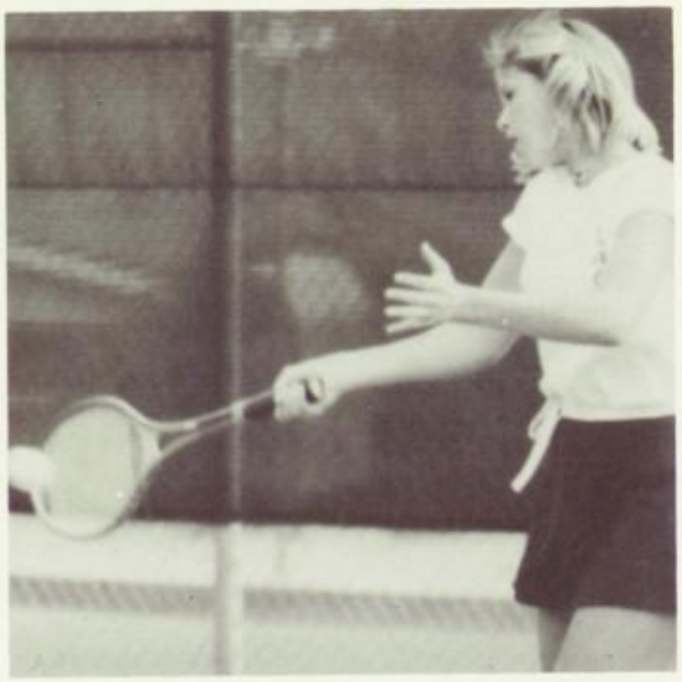
VARSITY TENNIS

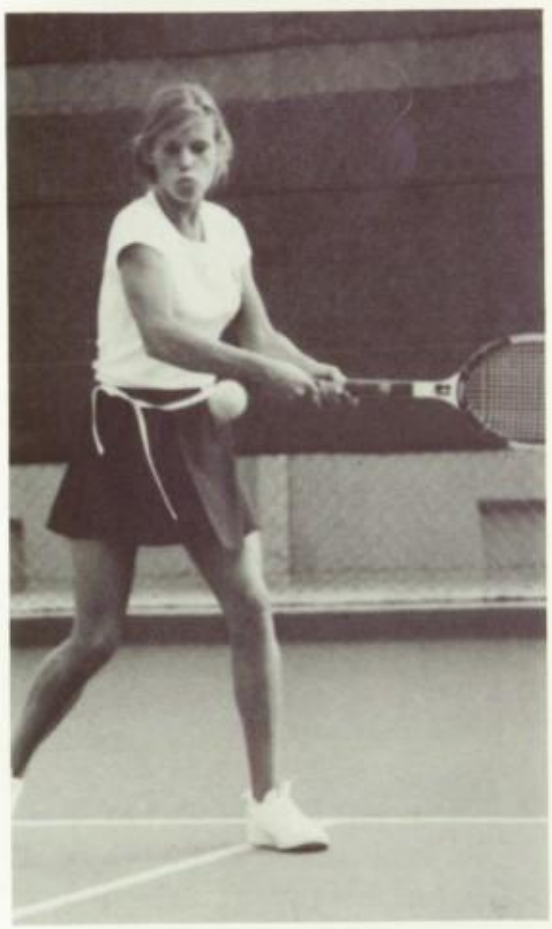
Front to back, left to right: Dina Young, Jenny Hawthorne, Maureen O'Sullivan, Cathy Smith, Julie Sturm, Beth Wachtel, Karyn Willette, Karen Koster, Kristi Hansen, Julie Wellik, Coaches Carol and Ron Ross.







For the first time ever at Laguna, the girls' tennis team won the 2-A C.I.F. finals. We had to play two schools in the play-offs that we had lost to twice before: Mission Viejo and Dana Hills.



Laguna	Scores in	C.I.F.
15	Montebello	3
13	Hart	5
16	Apple Valley	2
10	Dana Hills	8
10	Mission Viejo	8

Our doubles teams were strong all year with Julie Wellik & Beth Wachtel placing 1st in league finals and Cathy Smith & Dina Young placing 2nd. Our 3rd doubles team, Karen Koster & Kristi Hansen played their tennis in C.I.F., only losing one set out of the 15 they played. Singles player, Karyn Willette, won 12 of her 15 in C.I.F. for a great record. Jenny Hawthorne played well and Julie Sturm won 2 out of 3 matches in the finals to give us the points needed to win C.I.F. Great year! Great team!!

Dear Emoire-
You are such a fan-
tastic person! I really
admire all your achievements-
you have an extraordinary amount
of talent and are a really unique
girl. However, I DO want to murder
you for not trying out for Dance
Productions - but I guess you have to keep
your priorities straight, mainly with your, and doing
all those weird things like sharing leg-warmers &
skipping "(weeee!), wearing green & purple, admiring Mrs.
Kers's dance technique, and of course, the infamous "floating"
warm-up! Good luck in life, and I KNOW you will
go very far in everything you do, and I'm very pleased to have known you
all these years. I'll be seeing you at the beach for sure this
summer, but in the meantime... HAVE A GREAT SUMMER!!
Your good friend forever, Love Jennifer '80

P.S. If I move, I'm going to miss you terribly!!!
P.P.S. Don't forget to practice, though!
P.P.S.S. ... I know you won't!

YOU (JUST JOKING) BRIGHT
UP. ... WELL, ONTO ANOTHER
BRIGHTER, BIGGER, BETTER
SUBJECT ... YOU
WE MUST GET TOGETHER THIS
SUMMER. YOU PROMISED ME!!!!
CALL ME OR I WILL BE FORCED TO DO
SOMETHING DRASTIC! I EMILE YOU AT
SUCH A NICE PERSON TO HAVE AS A
CLOSE FRIEND. I HOPE WE NEVER GET
A FIGHT ABOUT PEOPLE, OR JUST THINGS,
AND WIND UP ENEMIES. I DON'T DESERVE
SUCH AN INTERESTING

SHADES OF 79-80

Hostages in Iran, gold soaring to $800, boycotting of the Summer Olympics, Russian Invasion of Afghanistan, run-away inflation and Bo Derek—all of these are synonymous with 1980. These are the events and people that shaped the year and molded the memories we have of that time in our lives.

Farewells were made to some very special people in 79-80, the Olympic Boxing Team's plane crash, Jimmy Durante, Dr. Tawnover.

In the news were Paul McCartney drug arrest in Japan, the gearing up of the presidential campaigns, Jarvis II, Boat Canyon Fire, Arch Beach Heights earth slide due to the heavy rains and the fantastic U.S. Hockey team's victory over Russia.

Some hit movies of the year were: Alien, Amityville Horror, The Jerk, Star Trek, Life of Brian, Chapter 2, Ten, Apocalypse Now, And Justice For All, The Rose, Electric Horseman and Kramer vs. Kramer. And on the tube: M*A*S*H*, General Hospital, Dukes of Hazzard, Staurday Night Live, WKRP and Dallas.

Singing favorites were: Kenny Loggins, Jackson Browne, Bruce Springstein, Mick Jagger, Neil Young, Donna Summers, Jethro Tull, Doobies Bros., Flying Lizards, Talking Heads, Pink Floyd, Blondie, Tom Petty and Led Zep. Performers that were high on our list were: Robert Redford, Al Pacino, Paul Newman, Richard Gere, Dustin Hoffman, Brooke Shields, Lauren Hutton, Jane Fonda, Meryl Streep and Goldie Hawn. Favorite albums were: Tusk, Live Rust, Damn the Torpedos, Candy-O, The Wall, Off the Wall, and the B-52's.

There was definetely more to remember in 1980 than just another school year!

Dear Emily,
Have a totally terrific summer. You deserve it. It was fun in Geometry 1st tri always talking about Jordan Kiles (the perv!) Hope we can be friends for a long time. Love Always Sheila Mathmoe F/F

In order for a yearbook to be considered a success, there must be people behind the scene who are competent, creative, confident, calm, and above all, **crazy** enough to handle the types of problems and pressures that may face them. This 1980 Nautilus would not exist if not for the following people:

Randy Collazo for almost single-handedly tackling the advertisements and for his guidance in photography, layouts and last-minute everything; JoAnn Bush for doing such a great job on the Performing Arts section and various other features; Maggie Maier for her clubs layouts, her fantastic "Only in Laguna" section, and for even attempting to schedule and keep photo appointments; Sharon Zee (our token freshman!) for her dedication, patience, overtime and positive attitude towards everything at all times; Julie Benner for her hard work and constant optimism; Assistant Editor (first tri), Kim "Cuz" Gauthey for her strength in dealing with people, Pat Wallace for always being there (usually on short notice) to take pictures; Kim Shank, Jim Santley, Kim Ahlke and Jullie Butts for helping us out first tri; and Julie McManus (Resident Artist) for her beautiful cover and other miscellaneous goodies throughout this book. I'd just like them to know that the work and time that the people mentioned above have put into this yearbook has not gone unnoticed.

I'd like to give special thanks also to Keri Drumm for **very** last-minute typing, errand running, (and negative hunting!); Lawson Weldon for his signature page drawing; Sonja Thiene, mailing aide; Greg Hemsoth, our publishing representative; Spencer Pendergrass and Dan Cabe, photographers from Senior Portraits, Inc.; Jack Guiney for his endsheet photograph, and finally to our advisor, Penny Siavelis for always giving us all that extra push, especially when needed!

Thanks again to the people mentioned above for putting up (or not putting up) with **my** frustration, confusion and overall moodiness at times. It must have been difficult!

Sincerely,

Pamela Howell

Emily, Well I've almost survived

the second tri, well actually you
really didn't help me much you never
did give me any of the assignments
& you did throw my books out
the window, as a matter of FACT
you probably hindered me—thanks alot—
& I'm not going to say [redacted] just a thrilling CI and
see YA next year when you're a sophomore. Getting over!
Love, David Wolfish

P.S. I still haven't
gotten you
back for the
books—

Emily,
I haven't seen much of you this year, but I'm sure that will be remedied in the future. I think you're a good person & a talented one, too. Well, I hope you have an absolutely fantastic Summer; Live life & Be great
